Inelco Hunter Limited
specialist supplier of electronic components & solutions

Feel the benefits of swift data exchange, with our range of 3.5", 4.3", 5" and 7" Smart UART

Applications

The potential uses are considerable, encompassing an extensive range of applications and markets, such as (but not limited to) industrial automation, medical devices, home tech, IoT products and communication.

IoT Products

Medical Devices

Home Technology

Industrial Automation

Smart Product, Smart Choice

Features

□ *High-performance Nuvoton ARM926 MCU, with 240MHz core*

□ *64MB SDRAM*

□ *High brightness 850 cd/m^2*

□ *Projected capacitive touch*

□ *Connectivity to UART, microSD and GPIO*

Size	Part No.	Resolution	Viewing Angles
3.5"	JXNA320240T028-ZHC	320 x 240 114 PPI	Full viewing angles
4.3"	JXNA480272T016-ZHC	480 x 272 138PPI	Full viewing angles
5"	JXNA800480T030-ZHC	800 x 480 186 PPI	Full viewing angles
7"	JXNA800480T013IHC09	1024x600 133 PPI	60 / 60 / 60 / 60 6H
